

CONTINUING MEDICAL EDUCATION PROGRAMME
ON
'UPDATE IN PATHOLOGY'

ORGANIZED BY
DEPARTMENT OF PATHOLOGY
MANDYA INSTITUTE OF MEDICAL SCIENCES
MANDYA.

DATE:

21-08-2011, Sunday

VENUE:

Ground Floor Lecture Hall, MIMS, Mandya.

Dear colleagues,

It gives us immense pleasure to invite each one of you to the Continuing Medical Education Programme on "Update in Pathology", the first ever such programme since the inception of our institute. The institute which started functioning from the academic year 2005-06 in the district headquarters of Mandya with an intake of 100 MBBS students, now also boasts of getting permanent recognition of MCI for MBBS course and has got permission to start post-graduate MD course in pathology with an intake of 2 seats. On this happy occasion, it is indeed an honor for us to host this prestigious event which will prove to be an academic feast to all pathologists.

Mandya is renowned as the sugar land of Karnataka and is conveniently situated in the Bangalore-Mysore Highway. Prominent historic places like Tipu Sultan's Srirangapatna, Mysore Maharaja's Palace, Chamundi Hills and beautiful tourist spots like Gaganachukki-Bharachukki Falls, Ranganatittu Bird Sanctuary, Krishnaraja sagar dam and the world famous Brindavan Gardens are a delight to visit again and again, and will definitely make your week-end a perfect one.

We assure that the participants will be immensely benefited from this gala teaching session. We look forward to your enthusiastic participation and hope to make this event a grand success.

*Members of Organising Committee.
Department of Pathology, MIMS, Mandya.*
